Package of the Month | Bonus Project Heart Garland 2011

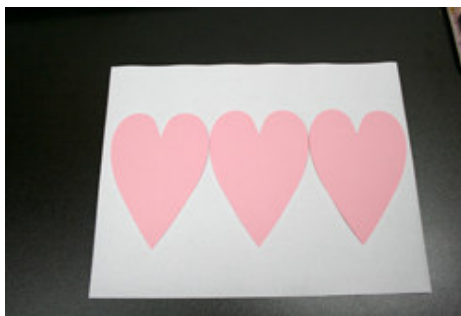

With your favorite words or our template (second page), follow these step by step directions to create our fun Valentine garland!
Note: All printers perform differently. It's recommended you test yours out to see if it will print with this method.

Materials:

- Different lengths of spaghetti satin in scarlet 16" or more.
- Heart Cards
- Printer (preferably laser with manual paper feed tray)
- Double stick tape
- Bone Folder
- Ruler or Straight edge

Step 1.
Print out template sheet

Step 2
Position heart cards onto words.

Step 3.
Put a small amount of tape onto words. Low tack your tape by letting it pick up some lint
(We used a shirt sleeve here.)

Step 4.
Load onto manual feed of printer.
Print template page again.

Step 5.
Gently peel off hearts.

Step 6. Using your ruler and bone folder. Score centers. Gently fold into 90 degree angles

Step 7. Join the centers together around ribbon, double stick tape to secure.

Step 8. Put a knot at the end of each heart to ensure it doesn't slip.
